Treasurer's Report by Irene Chmura

Welcome back to all of our returning members. Those of you who did not come to Florida last season and still need to reactivate your key cards, I will need the first 5 numbers on the back of each of your cards. You can stop by the office on Tuesday mornings, email me at irenechmura@att.net or call me at 248-840-9159. I will be working in the office on Tuesdays from 7:00 to 9:00 a.m. during coffee hour. I will extend these hours when I start collecting club dues later in November. Watch for this announcement through one of Bill Butland's email updates. Please stop by on Tuesday morning if you need to pick up your name badges, key cards or new member registration. The 2022 proposed budget will be presented at the membership meeting on November 15th. I look forward to seeing everyone as they return to Florida.

A Salute to our Veterans by Nancy Fournier

Our 3rd Annual Salute to Our Veterans will be held on Veteran's Day, Thursday, November 11, 2021, with a special ceremony and program starting at 11:00 a.m. inside the clubhouse with patriotic music and dessert! PLEASE JOIN US AS WE SALUTE OUR OWN MILITARY VETERANS THIS YEAR ON VETERANS DAY! Our Veterans Day banner will be hung outside the front entrance to the clubhouse on Sunday, November 7th for the week. Stop by and have an individual

photo taken to share on the Edgewater Club Facebook page. We have the Veterans Military photos from previous years and those submitted this year (deadline November 5th). We will be putting up our Wall of Honor inside the Clubhouse on November 7th. We hope to also share the names, rank, along with years of service for those Veterans that we have on file, via email, on November 11th. We will have the 5 Piggies Bar-B-Que food truck for you to purchase lunch from 11:00 a.m. to 2:30 p.m. Thank you Bonnie and Ray Shepherd for arranging to have them come on this special day. We will have runners who will stand in line to purchase your order if you are unable to do so. BYOB to the clubhouse - we will provide ice and dessert that day. The beautiful Military Valor Quilt designed, handmade, and donated by Judy Gatter will be raffled off at the event. Thank you, Judy, for this beautiful donation! All proceeds from the quilt will be donated to the Disabled American Veterans after our Salute to Our Veterans on Thursday, November 11th, 2021. Tickets are \$5.00 each. We will be selling them until November 11th. If you are not down here and would like tickets, contact Judi Gatter or myself. If writing a check, please make payable to Edgewater Club. Thank you! We hope

Note From The President: Don Messier

Hello everyone, summer is behind us and our next season here at Edgewater Club

has begun; many of us snowbirds have arrived and continue to do so every day. It is also great to hear that our Canadian members will soon be able to travel here and once again join us, as we enjoy our happy place for another awesome season. As I sit here and write this, our first dinner is about to start, and so too are all of the activities that we all have missed for so long. Keep an eye on our events calendar for all of the exciting events that await you this season. As we are not yet completely beyond Covid-19, I caution and remind everyone that if you have recently been in contact with anyone who has Covid-19 or if you are not feeling well, that you PLEASE stay away from the clubhouse until you feel better. As this is our November newsletter, the board of directors will be appointing an election committee this month; if you are interested in participating on this committee, please contact Secretary Donna Watson, dmwatson203204@gmail.com or place your name on the sign-up sheet in the clubhouse. Stay safe and Healthy.

to have a Special Golf Cart Parade through the parks that afternoon. If you would like to decorate your golf carts and join the parade, that would be a wonderful way to recognize our Veterans. We invite everyone to fly the American Flag that day; for those of you watching from your homes, please waive and cheer the Veterans and their family members as they go by; and those of you who are Veterans and not on a golf cart, please come out and waive a flag from your driveway, so we all can recognize you for your service to our Country. With Respect, Honor and Gratitude, we are proud of you and thank you for your Service. Please watch for future announcements in Bill Butland's emails in the coming days.

Our first Membership meeting is Wednesday, November 17th at 1:00 at the Clubhouse. We hope you will attend this meeting. We will email an agenda prior to the meeting. Remember, if you are Renting your property out this year, please complete the Rental Form and return it to Nancy Fournier, Lemon Bay Isles President c/o Edgewater Club, 2840 Waxwing - Englewood, Florida 34224 or by email at nfournier3441@gmail.com. Please contact a Board Member for a copy or go to the Edgewater Club website under Member Information - Documents - Lemon Bay Isles - Renters Information. This information lets us know which properties are rented and that the Renters are 55 years old. We also provide Bill Butland with the Renters email address so that he can include them in Clubhouse updates. We also provide Irene Chruma at Edgewater Club this information so she knows who to give badges and key cards to. Wherever you are spending your fall, please stay healthy and safe until we are all together again!

HOLIDAY ESTATES III PROPERTY ASSOC. by Mike Swiontek

Howdy Neighbor, time is rolling on. The season has started for many of your neighbors and friends here at Holiday Estates III. The colors of the plants and flowers is better than ever. The rains of summer have made growing things happy. It is good to see. Of course, as we return there is the obligatory weeding and trimming. It is great that we can have the yard waste hauled away. If one really has a lot to dispose of, please call Waste Management at 941 697-0012 to arrange any large pick-ups. If you have not been to your home in Holiday Estates III, think of checking to see if your lawn needs attention. There have been many home sales, so we will meet new neighbors as we return. We hope they enjoy the park with you. It is a fine place to live, and we enjoy the fun times with our community. There are a few new homes being built in the park. It is always fun to watch the dismantling of old, and replacement with the new. At first one may wonder how the team can make it happen. We are a team in the park as well, enjoying our neighbors and activities. The clubhouse activities are underway, as well as the local activities. Some of the activities that have been postponed have returned. Downtown Englewood is also going through some renewal on Dearborn. Farmers Markets and various shows are open again. The boat races at Englewood Waterfest this November 18-21st. Restaurants are up and running. Some are still

here, some are new. Every season brings change. If you will be making changes to your home, don't forget to notify the Holiday Estates III board. You need to submit plans to the board. You may also have to get a building permit from the county. The Deed Restrictions cover all homes in the park. The HOA will be having our next meeting at 11:00 a.m., November 17th in the clubhouse. We will be needing some assistance from you with upcoming requirements. We will need a chairperson for our Nominating Committee and members. We will also request a committee for Holiday decorations.

BROADWAY PALMS THEATER **by Pat Cameron**

Sound of Music is the first of the offerings we are seeing at the BPDT this season. We still have six seats available, if anyone wishes to go. It is the beloved musical that we all know so well; that is the story of the Von Trapp family who hires a nanny for the unruly children, and the nanny becomes the wife of the military father. Please join us for this trip. The next show will be Singin' In The Rain made so popular by Gene Kelly. It will be held on January 19th and will be a matinee production. We are already taking reservations and there is a signup sheet at the clubhouse. The third production will be Jimmy Buffet's Escape to Margaretville, which features many of Buffet's well known pieces. (That offering was changed from Chicago by the theatre). That will be on February 23rd, 2022. All tickets will be \$78 and will be all inclusive, provided we have enough to pay the bus transportation. It is a fun day outing; come join us, especially you new people who have never had such a great opportunity.

CHRISTMAS DINNER **by Nancy Fournier, Chair**

Save the Date - the Edgewater Club 2021 Christmas Dinner at the Clubhouse - Saturday December 11, 2021. Our entertainment for the event, CLASSIX IN CONCERT - David Daviski, has graciously allowed us to re-book for 2021 at no additional cost. David was our entertainment in 2019 and did a fantastic job, so we invited him back. The Christmas Dinner Committee has all the decorations, centerpieces, and tableware ready for this annual event. Hopefully, you will be able to join us as we travel to "Santa's Toyland" in 2021. Watch Bill Butland's emails for further information - tickets will go on sale two weeks prior to the event.

CRAFT CLASS**by May Ackles**

November is here already. The arts and crafts show is November 20th in the clubhouse from 9:00 a.m. to 1:00 p.m. Come enjoy the fun and see all the crafts. There will also be a bake sale that day. (I will have a signup sheet in the clubhouse for volunteers who would like to bake). Drop off for baked goods is Friday evening between 5:00 and 6:30 p.m. There will be lunch available for purchase. Come and socialize. Art classes have started up again. A lot of fun. Come join us Mondays from 1:00 to 3:00 p.m. in the all-purpose room. Cost is \$3.00 per class.

PICKLEBALL**by Fritz Dostie**

As players are returning to our community, it's time to get pickleball going again. All are welcome, at any skill level. If there are some out there who have thought about playing, but may be a bit intimidated about playing with more skilled players, we can set up a time to help teach you the rules and common strategies of the game. Come on out Sunday, Tuesday, and Thursday at 9:00 a.m. at the tennis courts.

NEIGHBORHOOD WATCH**by David Smith**

Monthly Neighborhood Watch Meetings: Presently, the Charlotte County Sheriff's Department is not performing indoor meetings, so they will not come into the Clubhouse as they did previously. Instead, they will continue to send crime statistics which I will post through Bill Butland emails. The Sheriff's Department will however attend outdoor gatherings. If anything changes, I will be sure to let everyone know.

Mark your Calendar: We are still scheduled for a bicycle, golf cart etc. registration event to be performed by the Charlotte County Sheriff's Department on Tuesday, December 14th between 9:00 and 11:00 a.m. at the Clubhouse. This will be an outdoor event occurring in the parking lot. More details will be provided in early December.

Protect Yourself: Please consider doing the simple things to protect yourself and your assets: Remember to lock the doors to your house and vehicles when you are not present. Secure your golf cart during the evening. Do not leave valuables in your automobiles. If someone you were not expecting, calls you on the telephone or emails you, and tries to seek access to your personal information, money, or any other things of value, Hang Up or Delete the email! Call a trusted friend, family member, or the Sheriff's Department for assistance BEFORE providing any information or money over the telephone or online.

During the hours of darkness: Consider leaving a light on outside or if walking/bicycling wear reflective clothing and carry a flashlight with you. If you see something suspicious, say something, by calling the Sheriff's Department at 911 or their non-emergency telephone number (941) 639-0013.

Speed Limits: Know the posted speed limit for the area on which you are traveling, in our communities. As more people return, it becomes very important that we all drive the posted speed limits and keep a keen eye out for each other. The last thing we want to see is a traffic accident or for someone to get hurt when it is avoidable.

Thank you: Thank you to everyone who actively participates in the Neighborhood Watch Program and to all others who see something suspicious and report it by calling the Sheriff's Department. It is with everyone's assistance that we can all continue to live in a safe community. Keep up the good work! If you have any questions, please feel free to call David Smith at (801) 280-8242.

FOOD PANTRY by John & Becky Grenier

Hello everyone! The holiday season is fast approaching. The Jubilee Center is asking that we might begin thinking about our Thanksgiving donations a little earlier this year. Along with the canned potatoes, yams, stuffing and other non-perishable fixings, they are also asking for Turkeys at this time. Because of the supply chain backup, some stores will begin limiting turkeys to one per customer, and as the holidays near, they may become sparse. They are asking for 3-4lb turkey breasts and 8-10lb turkeys. We have a freezer to hold the turkeys in until we bring them to St. David's Jubilee Center on Tuesday mornings, so please bring them to our house at 8426 Jacamar Dr. John and I are asking for a volunteer to help with the Food Pantry and Christmas Toy donations while we are up North for the weeks of November 23 to December 28. If you can help, please call or text me at 860-539-5102 or John at 860-595-8158. Thank you so much Edgewater Club community for your continued generosity, we are so very grateful for all that you do! John and I wish you all a very Happy Thanksgiving!
